Responsible Person's Place of Employment:

## FINANCIAL AGREEMENT AND AUTHORIZATION FOR TREATMENT

I authorize Robert D. Wells, Ph.D. and Associates to provide treatment to \_\_\_\_\_ and I agree to pay all fees and charges for such treatment. I further agree that I will pay all fees and charges promptly and in full upon presentation of the billing statement unless credit arrangements are otherwise agreed upon in writing. The charges shown by such billing statements are agreed upon to be correct and reasonable unless protested by me in writing within 30 days of the billing date indicated thereon. In the event that legal action is necessary to collect any unpaid balances due for services rendered, I agree to pay reasonable attorney's fees or other such costs as the court determines proper. All account balances that are 60 days overdue are charged an interest fee of 1.5% per month (18% per year). It is our policy to charge for sessions that are missed or not cancelled 48 hours in advance. I agree to the above stated conditions.

Signature

Date

Please list any concerns you want help for regarding your child:

Has this child had previous evaluations within or outside of the school? If so, please list below, what evaluations were conducted. If you can recall the date and the person who conducted the evaluation, please list this as well. It would be helpful if you can attach any available report(s):

Has this child received any special treatments (diets, medications, counseling, psychiatric help, tutoring, speech therapy, etc)? If so, please list below and specify the type of treatment and the approximate dates it was initiated and ended:

The following checklist helps us determine whether medical factors might be important. Please answer the following questions as completely as you can. If you cannot remember something, please check the "cannot say" column for that item.

Possible Pregnancy Problems	True	Not True	Cannot Say
Had previous miscarriages			
Had an infection while pregnant			
Bleeding during pregnancy			
Had toxemia			
Had to take medications (please list below)			
Vomited often			
Got hurt or injured			
Stressful or difficult time emotionally			
Took narcotic drugs			
Drank alcohol			
Smoked cigarettes			
Labor lasted longer than 12 hours			
Had a cesarean section			
Had a difficult delivery			

Length of pregnancy \_\_\_\_\_months

Please list any medications taken during pregnancy:

Please list any pregnancy problems or illnesses:

<b>Newborn Infant Problem</b>	<b>True</b>	<b>Not True</b>	<b>Cannot Say</b>
Injured during birth			
Had trouble breathing			
Turned blue			
Born with cord around neck			
Was a twin or triplet			
Had an infection			
Was given medications			
Had seizures			
Had diarrhea			
Needed oxygen
